

To Know Jesus, to Love Jesus, to Serve Jesus

All students and parents are responsible for the contents of the Assumption BVM Student Handbook.

Every effort is made to include in the Student Handbook all policies and procedures pertaining to the 2017-2018 school year. Final interpretation of the policies outlined in the Student Handbook is the responsibility of the Principal.

Any changes that may be made during the school year will be communicated to students at school and parents via the weekly communication memo. Once communicated, any changes made during the year will be immediately considered a part of the Student Handbook.

As a parent (guardian), I acknowledge the receipt of the School Handbook and my child and I recognize that we are responsible for awareness and acceptance of its content.
